## WELCOME FROM THE CHAIRMAN

Good evening and welcome to the Meadens Skoda Arena for this evening's Wessex Premier Division fixture with Bemerton Heath Harlequins.

Today is something of a "red letter" day as we will be receiving the 360Player Wessex League September team of the month award from our good friend, and Vice President of the Wessex League, Ian Harley. Nobody at the club can remember us winning team of the month before so that is another little bit of club history made! Having suffered a narrow 3-4 defeat in a topsy-turvy game at home to Hamble Club on Saturday the Badgers will no doubt be determined to get things back on track with a victory tonight. If Saturday's seven-goal thriller is anything to go by we can look forward to another entertaining game tonight. It has been a busy period at Grigg Lane with three consecutive first team home games and several youth fixtures. This season our u15 boys team are filling the void left by our absent u18s and are playing their home fixtures at the club where they faced Hiltingbury u15s on Sunday running out 3-1 winners on a beautiful sunny autumnal morning ... congratulations to goal scorers Legg, Furnell and Williamson.

When I'm at the club mid-week it is easy to focus on all the jobs that need doing and lose sight of what a lovely village football club we have. This was brought home to me last Friday morning when I bumped into the coach of Hiltingbury u15s. He works locally and had popped down in his lunch

break to take a video of the club to post on his team chat and show his boys what a cool ground they would be playing at on Sunday. It reminded me of how exciting it is for the youth teams (particularly the younger ones) to run out of the changing rooms and play at Grigg Lane ... even better if it is dark and the floodlights are on!

Inviting the u15 boys to base themselves at the ground this season, along with holding some of our older girls matches and younger age groups Friday night training (pitch conditions allowing), turns out to be one of our better decisions. The kids are, of course, the future of the club.

Elsewhere, I am pleased to report that our Premier League Stadium Fund grant application to enable us to install padding to the front of the stand (mandated by the recent the FA safety review) was approved last week. Once we receive the money we will confirm our order with contractor Foams4Sports and they will complete the project as soon as possible.

The Wessex Prem is shaping up nicely as we get deeper into the season. With seven teams separated by just three points vying for the playoff spots it looks like we are in for a tight and exciting campaign. It is essential that the Badgers keep pace with the pack and continue to pick up the wins. So let's get behind the boys and cheer them on to victory tonight.

Come on you Badgers!

Dave Wareham, Chairman

# CLUB HISTORY 1898-2026

The club was founded in 1898, initially playing close to the Rhinefield Ornamental Drive. The Badgers were founder members of the New Forest League which they won a number of times. They moved before World War 1 to a site between the Rose and Crown and Snakecatcher pubs. Following the war the club played in both the Bournemouth and Hampshire leagues, moving to Fathersonfield. In 1931 they were forced to move again, to Black Knoll when Fathersonfield was given over to housing. In 1935 the club won the New Forest Lads Cup. Within two years the Badgers moved to Oberfield and after World War 2 they spent some seasons at Tile Barn before moving to their current home at Grigg Lane in 1951.

The club were crowned Hampshire League Division Three champions in 1960 as well as winning the Bournemouth Seniors cup. They moved between the Second and Third divisions until in 1971 they were promoted to Division One where they won the league title in the 1975-76 season.

Brockenhurst were founder members of the Wessex League, joining in 1986. The club's FA Cup giant killing reached its pinnacle in season 2001/02 when Kingstonsian were defeated and in season 2004/05 the club reached the 3rd qualifying round, the run ending in defeat to Bath City.

In season 2012/13 the club returned to the Wessex Premier Division as Division One champions and reached the final of both the Southampton DFA Senior Cup and the Wessex League Cup. The Badgers won three cups in three years—in season 2019/20 the team won the Bournemouth Senior Cup; in 2020/21 we lifted the Hampshire Senior Invitational Supplementary Cup; and in 2021/22 we won the Russell-Cotes Cup. In 2020/21, both the U18 and U17 teams won their divisions.

Season 2021/22 was one of the most successful for Brockenhurst in recent years, with the club finishing 6th in the Premier Division, getting to the last 16 in the FA Vase and winning the Russell-Cotes Cup. Brockenhurst celebrated its 125th season in 2023/24, and missed out on the promotion playoffs by goal difference only. At the end of the season, long-serving manager Pat McManus left the club; a successful and enjoyable testimonial match was held for Pat in July 2024.

Steve Devlin became our first-team manager near the beginning of season 2025/26. This season, we have retained the core of the squad from last year's campaign, and added experience, some returning players and a number of promising players. The future looks bright for The Badgers.

## BEMERTON HEATH HARLEQUINS CLUB HISTORY

Bemerton Heath Harlequins were established in May 1989, following the merger of three well-respected local clubs: Bemerton Athletic, Moon F.C., and Bemerton Boys. Soon after the club formation, a clubhouse was constructed, providing a vital hub for players, staff, and fans.

Since its formation, Bemerton Heath Harlequins have been a consistent presence in the Wessex League, earning a reputation as a well-organised, competitive team. The 1992/93 season remains one of the most memorable in the club's history. That year, the team achieved a third-place finish in the league, lifted the Wiltshire Senior Cup, and completed a hat-trick of Hospital Cup Final victories. They also enjoyed notable runs in both the F.A. Cup and the F.A. Vase.

In 1997/98 the first team built on this momentum, finishing fifth in the Wessex League and reaching the Wessex League Cup final.

A significant milestone came in the 1998/99 season, when Bemerton advanced to the last 16 of the F.A. Vase for the first time in the club's history.

In December 2020, Shaun Hale was appointed as First Team Manager, with Ian Saunders transitioning into a Director of Football role. Under Hale's leadership, Bemerton achieved a historic milestone, winning the Wessex Division 1 championship in 2021/22—the club's first-ever league title.

The momentum carried into the next season, with Bemerton finishing second in 2022/23, securing back-to-back promotions and earning a place in the Southern League for the first time in their history. These achievements marked a new era of success and ambition for the club.

As the 2024/25 season approached, Bemerton Heath Harlequins underwent significant leadership changes. Shaun Hale stepped down as First Team Manager. In response, the club turned to Danny Young, appointing him as Interim Manager. Young brought a wealth of Southern League experience, providing stability during a period of transition.

Following a thorough recruitment process, James Milligan was appointed as the club's new First Team Manager in October 2024. Milligan transformed the team's fortunes, lifting them from the lower half of the table into playoff contention. However, after his success, he ultimately returned to his hometown club, Shaftesbury FC.

In January 2025, Bemerton made another key addition by bringing in Luke Platt, a manager they had long admired. A UEFA A Licence Manager and Coach, Platt's résumé was filled with experience at both non-league and professional levels.

## LAST TIME OUT ...

**BROCKENHURST V HAMBLE CLUB  
WESSEX LEAGUE PREMIER DIVISION  
17 OCTOBER 2026—BY JON RENYARD**

Where to start with this rollercoaster of a game? The start, presumably: third minute, a deep high cross for Hamble, it looked harmless but Valero lost the ball in the sun and, as it landed, Idris Beqiri cleverly stuck out his leg and deflected it in to give the visitors the lead. Beqiri has apparently played at a higher level and it showed – strong and skillful, he looked too good for this level: on 19 he simply put on the afterburners, raced between the two central defenders and in on goal – excellent save by Valero... another Monks attack, intercepted by Henry Mubiru who ran most of the length of the field, evading or skipping over tackles before putting in an excellent cross: McGrath's shot well over the bar. And almost immediately, Brock lost the ball in midfield, Beqiri thought quickest and shot, excellent save from Valero who can't have been set. It was all a bit chaotic but there was then a lengthy delay on about 27 minutes when Leo Taylor was caught by Walker. Taylor eventually left the field on a stretcher, something you never want to see. Wish him a speedy recovery. When we finally got back under way, another fierce shot from Beqiri, another great save from Valero... up the other end, a clever disguised pass from Makhoulfi, McGrath in on goal, good save with his legs from Harvey Doe. But then, marginally into overtime, Beqiri picked the ball up about 35 yards out and barrelled his way past three defenders before unleashing a ferocious shot into the far corner for 2-0. Harsh on the Badgers, but heads didn't drop: first McGrath turned well on the edge of the box but pulled his shot just wide of the near post, and then 6 minutes into injury time, Makhoulfi made space and tried a shot which was blocked but rebounded to Speechley-Price who capped his long-awaited return for Brock with a fine finish.

## PART 2

### BROCKENHURST V HAMBLE CLUB WESSEX LEAGUE PREMIER DIVISION 17 OCTOBER 2026—BY JON RENYARD

Half-time assessment was that there were more goals in the game, but which way they would go... almost an immediate third for the Monks, Oli Davies shooting within the first minute and drawing a sharp save. And then surely the decisive moment: Hamble breaking, Beqiri and Walker tussling on halfway and each having a hold of the other, but Beqiri was cleverer, he held lower and the ref didn't see that, and if he only saw the Walker foul then it was a clear second yellow and marching orders. 50 minutes, down to ten, and five minutes later it got a whole lot worse when Davies, out on the left, seemed to overhit his cross and instead lofted it over Valero and into the top corner from about 28 yards. Stunning goal although he surely didn't mean it (and he didn't celebrate like he did!). Tough for the Badgers – they weren't getting much from the ref. A fine save from Valero from Davies... Brock refused to lie down, Dylan Andrews with a cross-shot which missed everyone and whistled past the far post. Then McGrath holding the ball up excellently, sliding through Palmier in on goal... which he cleared by about 30 yards. Andrews again, racing forward and taking advantage of confusion between Doe and Jack Francis to skip past them but Francis recovered with a strong tackle. 15 to go, ref excelled himself by booking the wrong player (Dylan Andrews finally "unbooked" and Rian Drake penalised). This was the final straw for the Brock fans. It's rare for the home crowd at the Meadens to get on a referee's back, but now Brock were now incensed. And the team used it to fire themselves forward – 83 minutes, a long throw only half-cleared, Ashton Palmier with a superb looping header which cleared everyone and went in at the back post. Half a sniff, then – 5 to go, McGrath fouled, Palmier free kick from 20 yards – bang, top bins, 3-3. Bedlam in the stands. The Monks looked seriously rattled and – and yet they contrived to find the winner on the break. It hadn't been at all obvious that Brock were a man down, but now and then they were exposed on the break Valero had made a couple of fine saves, and this time he made another miraculous stop but Nick Yeomans arrived at the back post and was able to scramble the ball over the line with 7 seconds remaining. Plus... 12 minutes of stoppage time. Twelve. Had his watch stopped? Brock pushed for another equaliser, might have had one when Doe lost the ball but the goalmouth scramble saw the ball bounce away... Yeomans placed a glancing header wide for Hamble... one last chance for Brock with another scramble but no purchase on the final header and that was match done. FT 3-4

## THE WESSEX WAY—FROM ROBIN CADDY

### Join us on The Wessex Way

A new website is putting the spotlight on the Wessex League – featuring the teams, players, supporters and volunteers from steps 5 and 6 of the National League system in central southern England.

**The Wessex Way** features club profiles, ground guides, videos and lots of great imagery. Official Wessex League photographer Robin Caddy has travelled across the Wessex League over the last four years and captured great match action, the unique features of the grounds and many of the people who make the Wessex football scene what it is.

Alongside the website, Robin and colleague Tim Smith have created a new magazine, also called The Wessex Way. The latest edition focuses on the title races, relegation battles and memorable matches that made up the 2025-26 Wessex League season. The magazine is available through The Wessex Way website.
