WELCOME FROM THE CHAIRMAN

Good afternoon and welcome to the Meadens Skoda Arena, Grigg Lane, for our Wessex Premier Division fixture with fellow (admittedly very early in the season to be talking about them) playoffs hopefuls Hamble Club. Matches between the two teams are always hard fought, usually close, affairs and we expect no different today.

This week I found myself in an all too familiar situation. Once again, no doubt like many others, mid-October proves to be the time when I have given up on my Fantasy Football team. This season I can attribute my poor performance to a missed window while on holiday, my steadfast refusal to follow the masses and pick Erling Haarland up front and blind optimism that my Chelsea players will come good ... although their 5-1 thrashing of Bournemouth last weekend leads me to believe there is still hope! As you would imagine, living in Brock I am surrounded by Saints fans. Not a big deal for me as a Chelsea fan obviously but the mood about the place since the end of last season has been a little muted to say the least. So thank goodness Saints seem to be getting over spygate and, perhaps more importantly, triumphed over Pompey on Sunday. Happy Saints = happy BFC members and it will be great to see them smiling a bit more down the club!

Elsewhere this week saw final adjustments and testing of our new floodlights. We can finally provide the certificate to the Premier League Stadium Fund & FA, receive the remaining 5% grant hold back, pay the eye-watering invoice and declare the job done. It has been a long and complicated project and I would like to take this final opportunity to thank all those that have helped us see it through ... most notably Ian Allan who has been beavering (or should I say Badgering) away with me all summer to get the project over the line. Thanks to all!

After a disappointing performance led to defeat away at New Milton in the FA Vase on penalties (following a 2-2 draw) last Saturday the Badgers are looking to bounce back with a quick return to form. A 3-1 win at home over Hedge End Rangers on Tuesday evening in the Southampton Senior Cup went a long way towards restoring confidence and was good preparation for this afternoon's clash with Hamble. While Hamble lie a few places above the Badgers in second place they have played more league games and a win this afternoon would see us leapfrog them in the league with five games in hand ... perfect motivation one would hope!

Come on you Badgers!

CLUB HISTORY 1898-2026

The club was founded in 1898, initially playing close to the Rhinefield Ornamental Drive. The Badgers were founder members of the New Forest League which they won a number of times. They moved before World War 1 to a site between the Rose and Crown and Snakecatcher pubs. Following the war the club played in both the Bournemouth and Hampshire leagues, moving to Fathersonfield. In 1931 they were forced to move again, to Black Knoll when Fathersonfield was given over to housing. In 1935 the club won the New Forest Lads Cup. Within two years the Badgers moved to Oberfield and after World War 2 they spent some seasons at Tile Barn before moving to their current home at Grigg Lane in 1951.

The club were crowned Hampshire League Division Three champions in 1960 as well as winning the Bournemouth Seniors cup. They moved between the Second and Third divisions until in 1971 they were promoted to Division One where they won the league title in the 1975-76 season.

Brockenhurst were founder members of the Wessex League, joining in 1986. The club's FA Cup giant killing reached its pinnacle in season 2001/02 when Kingstonsian were defeated and in season 2004/05 the club reached the 3rd qualifying round, the run ending in defeat to Bath City.

In season 2012/13 the club returned to the Wessex Premier Division as Division One champions and reached the final of both the Southampton DFA Senior Cup and the Wessex League Cup. The Badgers won three cups in three years—in season 2019/20 the team won the Bournemouth Senior Cup; in 2020/21 we lifted the Hampshire Senior Invitational Supplementary Cup; and in 2021/22 we won the Russell-Cotes Cup. In 2020/21, both the U18 and U17 teams won their divisions.

Season 2021/22 was one of the most successful for Brockenhurst in recent years, with the club finishing 6th in the Premier Division, getting to the last 16 in the FA Vase and winning the Russell-Cotes Cup. Brockenhurst celebrated its 125th season in 2023/24, and missed out on the promotion playoffs by goal difference only. At the end of the season, long-serving manager Pat McManus left the club; a successful and enjoyable testimonial match was held for Pat in July 2024.

Steve Devlin became our first-team manager near the beginning of season 2025/26. This season, we have retained the core of the squad from last year's campaign, and added experience, some returning players and a number of promising players. The future looks bright for The Badgers.

HAMBLE CLUB CLUB HISTORY

More than one year has been traced for the formation of Hamble Club but it is 1969 that is presently deemed to be correct. Formed as Hamble FC they made steady progress through the Southampton Junior leagues before merging with a Sunday team, called Hamble Club, and adopted their name in 1981. From the senior divisions, Hamble Club were promoted to the Hampshire League in 1993. They moved from their Mount Pleasant base to the Old College Fields and made a further move to what was then known as the Shell-Mex Ground during the 2002/03 season which remains their present home. Wessex members between 2004 and 2007, Hamble Club became Hampshire Premier League founders but failed to complete the 2012/13 season and had to start a division lower. But this heralded the start of an upturn as they gained four promotions in five years, including one in their first season back in the Wessex League in 2017.

The club won the Wessex League Cup in 2023/24 and again in 2025/26. They finished fourth in the Wessex Premier Division in 2024/25 but lost the play-off final; in 2025/26 they finished second in the division but lost out to Laverstock + Ford in the play-off semi-final.

DOWNTON V BROCKENHURST
WESSEX LEAGUE PREMIER DIVISION
29 SEPTEMBER 2026—BY JON RENYARD

A few changes for Brock tonight – important to use the cup games to get minutes into legs. And even so, a fast start for the Badgers, 4 minutes gone and already in front after a fine move sent Harry McGrath down the right, and he set up Dylan Andrews to score calmly from ten yards. Brock might have doubled their advantage when Dylan Walker intercepted the ball in midfield, made progress and put in a dangerous cross which McGrath headed just wide of the near post. The game then became quite scrappy – Nichols should probably have equalised but Valero made a fine save with his feet, then midway through the half the visitors put together a lovely passing move, in the end they found space for Courtney to shoot powerfully – tipped over by Valero. 36 minutes, finally some class from the Badgers – superb pass out of defence from Mubiru, Walker in space down the left, Elliot Wells with the header... onto the bar. Five minutes later, another great chance for the Rangers, Jack Moteane heading down inside the box to Ross Lamb who seemed certain to score but scuffed his shot and Valero scrambled across to grab the ball. HT 1-0

Not plain sailing for the Badgers, then – in fact, for about an hour in this game they were quite disjointed. A careless moment, Owen Hurst sent clear by a Brock pass, another Valero save with his feet ... Hedge End got their reward on 56 when a deep cross reached the back post and some pinball resulted in the ball going into the net off a Badger for an own goal. The visitors deserved to be level. But finally the Badgers took more of a grip. Their second goal, a quarter of an hour from time, was beautiful – a free kick, 22 yards out, sub Ashton Palmier with almost his first kick, in off the far post, super strike. Brock were still capable of carelessness and Nathan Rodgers was given the freedom of the penalty area, but he took far too long about getting his shot away and finally cleared the bar from the angle. And then with two minutes to go, Harry McGrath wrapped things up, beating the keeper to a bouncing ball, lofting it over him and passing the ball into an empty net. FT 3-1

THE WESSEX WAY—FROM ROBIN CADDY

Join us on The Wessex Way

A new website is putting the spotlight on the Wessex League – featuring the teams, players, supporters and volunteers from steps 5 and 6 of the National League system in central southern England.

The Wessex Way features club profiles, ground guides, videos and lots of great imagery. Official Wessex League photographer Robin Caddy has travelled across the Wessex League over the last four years and captured great match action, the unique features of the grounds and many of the people who make the Wessex football scene what it is.

Alongside the website, Robin and colleague Tim Smith have created a new magazine, also called The Wessex Way. The latest edition focuses on the title races, relegation battles and memorable matches that made up the 2025-26 Wessex League season. The magazine is available through The Wessex Way website. 'It' is discrimination, in all its forms.
Racism. Homophobia. Misogyny. Disablism.
If you have seen it or heard it, follow

Together, we can put an end to it.
