WELCOME FROM THE CHAIRMAN

Good afternoon and welcome to The Meadens Skoda Arena for this afternoon's Wessex Premier Division fixture against our good friends from across the water East Cowes Victoria. There is always a little something in the air, a touch of "je ne sais quoi", when we play the Island sides and I hope our visitors today enjoy their excursion to Brock as much as we do our trips to Cowes ... jumping on the ferry always makes me feel like I'm going on holiday!

Today's is the last of four fixtures in eight days for the Badgers. While obviously a tough run for the players and coaching staff, if you include Brock Legends vs exSaints last weekend we have had four home games in this period which places huge demands on the club's small but beautifully marked band of staff and volunteers. As ever the trustees and I are eternally grateful for all their hard work and thank them for making the magic happen.

With players returning from injury the Badgers form has picked up recently and we are once again in the playoff places. Obviously it is still very early in the season but it is nevertheless exciting to see the team at the right end of the table. With successful starts in several cup competitions and centre forward Harry McGrath hitting a rich vein of form, things, at least for the time being, are looking up. I am, however, writing these notes before our tough away trip to Downton which feels like a proverbial six

pointer ... fingers crossed things go our way on Thursday night. [Editor: they did!]

With the Brock Legends vs exSaints fund raiser behind us our events team (essentially the same happy band of volunteers) turn our attention to the Brockenhurst fireworks display which this year we host at Grigg Lane on Saturday 7th November. It is always a fun well attended event that has grown over the years to become a much-anticipated occasion in the village social calendar. Pop November 7th in your diaries and keep an eye on the club website for details and ticketing information which will be available soon.

Rumour has it there is a little local rivalry between East Cowes and Cowes Sports (to say the least!) so with Vic currently trailing in the league our opponents today will no doubt be super motivated. The Badgers will have to shake off any fatigue from their recent exertions if they are to get a result this afternoon. They will certainly need our home support to be in full voice so let's back the boys and make some noise!

Come on you Badgers!

Dave Wareham, Chairman

STOP PRESS: I'm delighted to announce that Brockenhurst have been awarded the 360Player Wessex League Premier Division Club of the Month for September. Thoroughly deserved for Devs and the lads, it's been a fantastic month!

CLUB HISTORY 1898-2026

The club was founded in 1898, initially playing close to the Rhinefield Ornamental Drive. The Badgers were founder members of the New Forest League which they won a number of times. They moved before World War 1 to a site between the Rose and Crown and Snakecatcher pubs. Following the war the club played in both the Bournemouth and Hampshire leagues, moving to Fathersonfield. In 1931 they were forced to move again, to Black Knoll when Fathersonfield was given over to housing. In 1935 the club won the New Forest Lads Cup. Within two years the Badgers moved to Oberfield and after World War 2 they spent some seasons at Tile Barn before moving to their current home at Grigg Lane in 1951.

The club were crowned Hampshire League Division Three champions in 1960 as well as winning the Bournemouth Seniors cup. They moved between the Second and Third divisions until in 1971 they were promoted to Division One where they won the league title in the 1975-76 season.

Brockenhurst were founder members of the Wessex League, joining in 1986. The club's FA Cup giant killing reached its pinnacle in season 2001/02 when Kingstonsian were defeated and in season 2004/05 the club reached the 3rd qualifying round, the run ending in defeat to Bath City.

In season 2012/13 the club returned to the Wessex Premier Division as Division One champions and reached the final of both the Southampton DFA Senior Cup and the Wessex League Cup. The Badgers won three cups in three years—in season 2019/20 the team won the Bournemouth Senior Cup; in 2020/21 we lifted the Hampshire Senior Invitational Supplementary Cup; and in 2021/22 we won the Russell-Cotes Cup. In 2020/21, both the U18 and U17 teams won their divisions.

Season 2021/22 was one of the most successful for Brockenhurst in recent years, with the club finishing 6th in the Premier Division, getting to the last 16 in the FA Vase and winning the Russell-Cotes Cup. Brockenhurst celebrated its 125th season in 2023/24, and missed out on the promotion playoffs by goal difference only. At the end of the season, long-serving manager Pat McManus left the club; a successful and enjoyable testimonial match was held for Pat in July 2024.

Steve Devlin became our first-team manager near the beginning of season 2025/26. This season, we have retained the core of the squad from last year's campaign, and added experience, some returning players and a number of promising players. The future looks bright for The Badgers.

EAST COWES VICTORIA CLUB HISTORY

East Cowes Victoria Athletic Football Club (The Vic's) were formed in 1885. The name incidentally is the longest registered with the English F.A. The Victoria part derives from the fact that the ground in Beatrice Avenue is part of the crown estate and in the area owned by Osborne House, the home of Queen Victoria.

For the first 30 years the club played only in the Island leagues.

In 1889 the Isle of Wight F.A. introduced cup competitions including the Isle of Wight Senior Gold Cup, this trophy is reported to be the most valuable football trophy in the world being made of solid gold. The only drawback is that if you win the Gold Cup you can't keep it! Most clubs insure it for the annual presentation night and then return it to the bank.

In 1947 Vic's joined Division 3 of the Hampshire League and spent nine seasons in Division 3, eighteen seasons in Division 2 and twelve in Division 1.

Without doubt the Vics most successful period was under the guidance of Graham Daish, who built a squad of all Island players good enough to win Hampshire League Division One Championship twice, the first time remaining unbeaten all season. The club also won the Isle of Wight Gold Cup seven times during this period.

One of the most important years in the Vics' long history was 1968, when the club amalgamated with an East Cowes Junior side: East Cowes Athletic - thus becoming East Cowes Victoria Athletic.

In season 2003/04 Vics returned to the Wessex League after the Football Association's restructuring of the leagues and have continued ever since in Wessex Division One.

The 2023/24 season saw the 1st team finish in 6th place just missing out on goal difference for a play-off spot under manager Alex Smith and the reserves finished runners up in the HCDL under manager Stuart Simmonds, who then took up the role as assistant manager with the 1st team. The club was promoted to the Wessex Premier Division for the 2025/26 season, having beaten Frimley Green in the Division One Play-off Final 3rd May 2025. The 25/26 season saw the Vics finish 14th in the Wessex Premier Division. For the 26/27 season Alex Smith & Elliot Wheeler will be joint managers.

SHERBORNE TOWN V BROCKENHURST
WESSEX LEAGUE PREMIER DIVISION
26 SEPTEMBER 2026 BY JON RENYARD

A fast and furious first half which was high on energy but not so high on quality. Ball in the air a bit too much, and still bouncing surprisingly high off the dry pitch, which caught players out all evening. The Zebras got the opening goal on 7 minutes, free back-post header at a corner for Murphy, simple as. Brock needed to pick it up, and sure enough, they did – a couple of close shaves and then, 19 on the clock, a long throw for Brock was flicked on, bounced around in the box and Toby Colmer scored from about 12 yards. Badgers then went in front on 24 after McGrath was flattened in the box and Palmier converted. However the lead lasted only 5 minutes: Brock were careless in possession, and Gaylard pulled a clever pass back to the edge of the box where an unmarked Cornish made it 2-2. Most of the rest of the half was huff and puff for no reward. HT 2-2

So it had all been a bit frantic, would there be a bit more football in the second half? Sherborne were ready for it – 47 minutes, good run down the left, the cross bounced towards the edge of the box where Gaylard came onto it, a difficult chance blazed over. Stainer-Reid then called into action a couple of times, firstly to grab the ball ahead of the onrushing Gaylard and then a sprawling save to tip away a shot from White. Brock had shown some nice touches but not created... but in the final quarter, they took control. 73 minutes, sub Dylan Andrews with his first touch as a Badger – a wicked, curling ball into the six-yard box, Harry McGrath arriving to prod home, excellent goal and Brock were back in front. 82 minutes, the best move of the entire match by a country mile, created by Elliot Chaffey and Dylan Andrews (that man again!), McGrath with the perfect run, took the ball past the keeper and rolled it into the empty net. The lead was extended two minutes later when Brock won the ball in midfield, one quick pass forward... McGrath was 25 yards out, he thought quickest and shot early, with power, keeper Marshall wasn't properly set and couldn't get enough on the ball to divert it from goal. Outstanding hattrick for McGrath, and Brock saw the game out comfortably. FT 2-5

THE WESSEX WAY—FROM ROBIN CADDY

Join us on The Wessex Way

A new website is putting the spotlight on the Wessex League – featuring the teams, players, supporters and volunteers from steps 5 and 6 of the National League system in central southern England.

The Wessex Way features club profiles, ground guides, videos and lots of great imagery. Official Wessex League photographer Robin Caddy has travelled across the Wessex League over the last four years and captured great match action, the unique features of the grounds and many of the people who make the Wessex football scene what it is.

Alongside the website, Robin and colleague Tim Smith have created a new magazine, also called The Wessex Way. The latest edition focuses on the title races, relegation battles and memorable matches that made up the 2025-26 Wessex League season. The magazine is available through The Wessex Way website. Racism. Homophobia. Misogyny. Disablism.
