WELCOME FROM THE CHAIRMAN

Firstly welcome to all the Sherborne Town supporters here to Meadens Skoda Arena. As I write these notes before the away game against Laverstock and Ford on Saturday 11th, our league position is very variable but I am very much looking forward to our last game of the season away at Cowes Sports on Saturday 18th. Hopefully we get some nice weather and we can all have a lovely trip from the north to the south island to celebrate what a successful season we have had.

At our recent quarterly members meeting I informed all present that I would be stepping down as Brockenhurst Chairman at the AGM in June this year. I always liked the idea of doing my bit for the club and being Chairman one day when I retired. However 2 years ago the club was on the brink of financial collapse, therefore I and a number of other locals decided to put ourselves forward to secure the future of the club, and what a turn around it has been. Year 1 was all about clearing the historic debts, and getting the club house bar, beer and opening hours back to what they should be and seeing more members in the club with smiles on their faces.

Year 2 after being debt free due to the most profitable Brockstock ever, investors have come on board which has enabled us to invest in our football team, and focus on the long term infrastructure of the club. Having a full refurbishment of our toilets, we hope this will increase the amount of private bookings, and the corridor area is almost finished giving a much

improved impression when entering our clubhouse.

Although you cannot see it the club has undergone significant re-wring to bring us up to standard.

We have now had our Premier League grant approved for the LED floodlight replacement which comes with a 10 year warranty, the club's contribution is also secured from internal and external investors. We are currently working with our preferred bidder and we expect the new lights to be up and working before the start of the next season.

Subject to another successful Brockstock on the 23/24th May, this will see us secure further investment funds into our infrastructure with an FA grant, details of all this can be seen in our 3 year investment plan.

Promotion this season has sadly eluded us but a great deal of work has been carried out in the background to prepare us for this for a future season.

The most important thing however, I would like to say to all our supporters and members is "Thank You". Without you we are nothing, and without you we can do nothing, and as long as we always put our members at the heart of everything we do, we will do well.

Being the Chairman of Brockenhurst football club has been extremely hard work, yet extremely rewarding and nothing would have been done without our committed team of volunteers throughout the many levels of the club. I am not leaving and will remain part of the club family to assist the future Chairman wherever I can.

Enjoy tonight's game and COME ON YOU BADGERS!

Mark Böckle, Chairman

CLUB HISTORY 1898-2025

The club was founded in 1898, initially playing close to the Rhinefield Ornamental Drive. The Badgers were founder members of the New Forest League which they won a number of times. They moved before World War 1 to a site between the Rose and Crown and Snakecatcher pubs. Following the war the club played in both the Bournemouth and Hampshire leagues, moving to Fathersfield. In 1931 they were forced to move again, to Black Knoll when Fathersfield was given over to housing. In 1935 the club won the New Forest Lads Cup. Within two years the Badgers moved to Oberfield and after World War 2 they spent some seasons at Tile Barn before moving to their current home at Grigg Lane in 1951.

The club were crowned Hampshire League Division Three champions in 1960 as well as winning the Bournemouth Seniors cup. They moved between the Second and Third divisions until in 1971 they were promoted to Division One where they won the league title in the 1975-76 season. Brockenhurst were founder members of the Wessex League, joining in 1986. The club's FA Cup giant killing reached its pinnacle in season 2001/02 when Kingstonian were defeated and in season 2004/05 the club reached the 3rd qualifying round, the run ending in defeat to Bath City.

In season 2012/13 the club returned to the Wessex Premier Division as Division One champions and reached the final of both the Southampton DFA Senior Cup and the Wessex League Cup. The Badgers won three cups in three years—in season 2019/20 the team won the Bournemouth Senior Cup; in 2020/21 we lifted the Hampshire Senior Invitational Supplementary Cup; and in 2021/22 we won the Russell-Cotes Cup. In 2020/21, both the U18 and U17 teams won their divisions. Season 2021/22 was one of the most successful for Brockenhurst in recent years, with the club finishing 6th in the Premier Division, getting to the last 16 in the FA Vase and winning the Russell-Cotes Cup. Brockenhurst celebrated its 125th season in 2023/24, and missed out on the promotion playoffs by goal difference only. At the end of the season, long-serving manager Pat McManus left the club; a successful and enjoyable testimonial match was held for Pat in July 2024.

We recently appointed Steve Devlin as first-team manager of Brockenhurst. We have retained the core of the squad from last year's campaign, and added experience, some returning players and a number of promising players. The future looks bright for The Badgers.

SHERBORNE TOWN CLUB HISTORY

The club was officially founded in 1894, making them one of the oldest clubs in Dorset, but evidence has come to light that Sherborne had a football team playing friendly matches in 1888 with a match report from 25th November 1888 losing 2-0 to Yeovil Casuals.

The club played their friendly matches in those early days at Marston Road, on the outskirts of the town. Following the opening of the Terrace playing fields just before the Second World War, this became the new venue for home games. The club then moved across the road from the playing fields in 1985 to its present home, Raleigh Grove, referencing Sir Walter Raleigh's historical connection with the town.

The record attendance at the ground is 1,000 versus Eastleigh (featuring ex-Southampton and England international Matthew Le Tissier) in the Andy Shephard Memorial match on July 27th 2003. Four Football League clubs have played at Raleigh Grove: Plymouth Argyle, Torquay United, Swindon Town and Yeovil Town.

Sherborne Town finished in the top six of the Dorset Premier League for five seasons running, leading to the long battle to convince the league officials of the club's determination to join the Western League – this was achieved in 2006. Promotion to the Premier Division followed within 2 years; relegations to Division 1 and re-promotions to the Premier Division were a feature of the next ten years or so.

On Saturday 25 September 2010 Sherborne played arguably the biggest game of their 116-year history as they hosted Hungerford Town in the FA Cup Second Round Qualifying - the furthest they have ever reached in the competition.

In 2013 the club secured substantial funding from The Football Stadia Improvement Fund, Viridor Credits Environmental Company, Sherborne Town Council and West Dorset District Council to improve the clubhouse facilities and renovate the pitch.

Following the FA's restructure in 2023 the club were laterally moved to the Wessex League thus ending 16 years in the Western League. After a successful first year in the Wessex League, the club appointed joint managers Neil Waddleton and Ben Wood.

In the 2024/25 season, Sherborne finished 9th, with 16 wins, 8 draws, and 14 defeats. The club had a decent run within the Isuzu FA Vase and got to the 2nd Round proper bowing out to Highworth Town. Wins against Alresford Town, Whitchurch United, and Verwood Town. With highlight wins over play off winners Fareham Town and a comeback win from 2-0 down vs Brockenhurst. The Zebras look to build with the 2025/26 season upon us.

SEASON REVIEW

BY JON RENYARD

And so we face the final curtain: one last home game, against Sherborne Town. This is pretty much a dead rubber: two teams who have had good seasons which just fell short of being great. There will be time for a proper review of the season, but for now here are a few thoughts.

Brock had a terrible start to the season, losing their first three league games and also going out of the FA Cup at Moneyfields. Then Danny Ackland resigned and, after a brief hiatus, Steve Devlin was appointed – and the impact was pretty immediate and pretty impressive. A couple of games to understand the squad, and then the Badgers went on a wonderful run during the Autumn, steadily moving up the table. During that period, home wins were secured against both Hamble Club and AFC Stoneham, the latter from 2-0 down – and let's not forget that these are the two teams who are well clear at the top of the table. Those performances, were better than the two 7-0 wins, secured against Bemerton Heath Harlequins in December and then more recently, away to Hythe and Dibden. I can see still Dylan's winner against the Purps in my mind's eye: the single most glorious moment of the season. And let's not forget Connor's late goal at Stoneham Lane to square matters at 3-3 ...

Anyway, I digress. Despite barely playing through November, the Badgers had got themselves into a strong position by the turn of the year, and all things seemed possible. But it didn't quite happen after that – things didn't quite click in the same way, goals were harder to come by (especially after Mitch went back down under, and Connor picked up his injury), maybe some teams started to work us out... it's so easily said from the stands. There were some disappointing displays; Brock lost their consistency over the last couple of months and ultimately, inevitably, the chasing pack started to win their games in hand and move past. Regardless of what happens in the last couple of matches, Brock have had a decent season but not quite good enough for the playoffs.

Thanks to all the players; to Devs, Sam and the rest of the management team; to Matt, for keeping everything going; but most of all to you, the loyal fans who helped to make the Meadens a tough place for teams to come while remaining a friendly and welcoming environment. Up the Badgers!

Official fuel consumption WLTP for the ŠKODA ENYAQ iV full range in mpg (litres/100km): Combined 0g/km. NEDC equivalent CO₂ combined emissions for the ŠKODA ENYAQ iV full range are 0g/km. MPG/Fuel Consumption is N/A.
*WLTP combined range for base specification ŠKODA ENYAQ iV 80 vehicle with a full charge. The ENYAQ iV is a battery electric vehicle requiring mains electricity for charging. There is a new test for fuel consumption, CO₂ and electric range figures (known as WLTP). The electric range shown was achieved using the new test procedure. Figures shown are for comparability purposes. Only compare fuel consumption, CO₂ and electric range figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the starting charge of the battery, accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Zero emissions while driving. Data correct as of June 2021.
