WELCOME FROM THE CHAIRMAN

Good evening football supporters and welcome to the Meadens Škoda Area for the Velocity Wessex Premier Division game against East Cowes Victoria.

After a long playing delay due to numerous weather-related postponements, Brock have just come off two tight league games with a home win against Hythe + Dibden and a draw against Andover New Street—but our fixture against Laverstock + Ford fell foul of the weather on Saturday.

I have been looking forward to welcoming Vics to our home game as we have played them twice away this season and were extremely well treated by the committee and supporters alike who are genuine football fans. For those who cannot remember Vics put us out of the FA Vase on Penalties whilst our team was in a managerial flux, with the Badgers winning the following league fixture. During the league fixture Vics supporters told me how we were the best footballing side they had played and how important their next game was against New Milton, due to them struggling a bit in the league at the time. Since this point Vics have really picked up

and are now a very respectable mid-table in the league and I wish them all the best for the remaining season and hopefully next year in the Wessex Premier Division again.

Winter has been pretty terrible for football this year—we and everyone else seeing many fixtures postponed. We now play every Saturday between now and the end of the season and all but four Tuesdays, and still have to fit in a Velocity Wessex League Cup tie, and a Southampton Senior Cup semi-final.

As things stand we have only two Saturday home games remaining in the season:

07/03/26 v Wincanton

21/03/26 v Christchurch

If we could make these bumper crowds to cheer us on to an extremely successful season that would be great.

In the club house we have our forthcoming St. Patrick's Day quiz on 20th March hosted by our very own Paddy.

Looking further into the future our music festival Brockstock will be taking place on 23rd / 24th May, headline acts and bands are being finalised right now.

Up the Badgers!
Mark Böckle, Chairman

CLUB HISTORY 1898-2025

The club was founded in 1898, initially playing close to the Rhinefield Ornamental Drive. The Badgers were founder members of the New Forest League which they won a number of times. They moved before World War 1 to a site between the Rose and Crown and Snakecatcher pubs. Following the war the club played in both the Bournemouth and Hampshire leagues, moving to Fathersfield. In 1931 they were forced to move again, to Black Knoll when Fathersfield was given over to housing. In 1935 the club won the New Forest Lads Cup. Within two years the Badgers moved to Oberfield and after World War 2 they spent some seasons at Tile Barn before moving to their current home at Grigg Lane in 1951.

The club were crowned Hampshire League Division Three champions in 1960 as well as winning the Bournemouth Seniors cup. They moved between the Second and Third divisions until in 1971 they were promoted to Division One where they won the league title in the 1975-76 season. Brockenhurst were founder members of the Wessex League, joining in 1986. The club's FA Cup giant killing reached its pinnacle in season 2001/02 when Kingstonian were defeated and in season 2004/05 the club reached the 3rd qualifying round, the run ending in defeat to Bath City.

In season 2012/13 the club returned to the Wessex Premier Division as Division One champions and reached the final of both the Southampton DFA Senior Cup and the Wessex League Cup. The Badgers won three cups in three years—in season 2019/20 the team won the Bournemouth Senior Cup; in 2020/21 we lifted the Hampshire Senior Invitational Supplementary Cup; and in 2021/22 we won the Russell-Cotes Cup. In 2020/21, both the U18 and U17 teams won their divisions. Season 2021/22 was one of the most successful for Brockenhurst in recent years, with the club finishing 6th in the Premier Division, getting to the last 16 in the FA Vase and winning the Russell-Cotes Cup. Brockenhurst celebrated its 125th season in 2023/24, and missed out on the promotion playoffs by goal difference only. At the end of the season, long-serving manager Pat McManus left the club; a successful and enjoyable testimonial match was held for Pat in July 2024.

We recently appointed Steve Devlin as first-team manager of Brockenhurst. We have retained the core of the squad from last year's campaign, and added experience, some returning players and a number of promising players. The future looks bright for The Badgers.

EAST COWES VICTORIA CLUB HISTORY

East Cowes Victoria Athletic Football Club (The Vic's) were formed in 1885. The name incidentally is the longest registered with the English F.A. The Victoria part derives from the fact that the ground in Beatrice Avenue is part of the crown estate and in the area owned by Osborne House, the home of Queen Victoria.

For the first 30 years the club played only in the Island leagues. In 1889 the Isle of Wight F.A. introduced cup competitions including the Isle of Wight Senior Gold Cup, this trophy is reported to be the most valuable football trophy in the world being made of solid gold. The only drawback is that if you win the Gold Cup you can't keep it! Most clubs insure it for the annual presentation night and then return it to the bank.

In 1947 Vic's joined the Hampshire League and spent nine seasons in Division 3, eighteen seasons in Division 2 and twelve in Division 1.

Without doubt the Vic's most successful period was under the guidance of Graham Daish, who built a squad of all Island players good enough to win Hampshire League Division One Championship twice, the first time remaining unbeaten all season. The club also won the Isle of Wight Gold Cup seven times during this period.

One of the most important years in the Vic's long history was 1968, when the club amalgamated with an East Cowes Junior side: East Cowes Athletic - thus becoming East Cowes Victoria Athletic.

The hard work of the committee enabled the club to progress into the Wessex League for the start of the 1987/88 season. Although the club lost key players before the start of the season, they still managed to finish in 8th place and win the Wessex League Cup beating Romsey Town 2-0.

Then later, following relegation, the club formed a new committee and finished 4th in the Hampshire Premier Division. In 2001/02 season the Vic's had their best season in recent years, when they narrowly missed out on promotion back to the Wessex League, finishing runners-up to Alton Town; but they did win the Hampshire Trophy-man Cup beating Liss Athletic 1-0.

In season 2003/04 Vic's returned to the Wessex League after the Football Association's restructuring of the leagues.

The 2023/24 season saw the 1st team finish in 6th place just missing out on goal difference for a play-off spot under manager Alex Smith. In 2024/25 the club achieved promotion to the Wessex Premier Division.

LAST TIME OUT ...

BROCKENHURST V ANDOVER NEW STREET

17 FEBRUARY 2026—BY JON RENYARD

This was the ultimate brief candle, tale of sound and fury, signifying nothing-nothing. The sound and fury came mostly from the visitors, resulting in no fewer than three sin-bins, two of them overlapping to leave them playing with nine men towards the end of normal time. Two blunt attacks: it was disappointing fare from two sides who promised better.

In the first half, almost nothing happened. George Bennett headed over the bar for the Swifts within 90 seconds; Toby Colmer headed wide for the hosts on 22 minutes; Toby Bailey pulled a shot wide from the edge of the box; and Jake Rawkins hit a free kick just past the post. However, there were no fewer than five yellow cards, one for kicking the ball away, one a sinbin for Zach Hine, one ridiculously harsh. Other, more blatant fouls were allowed to pass; Mr Davidson did not have his most convincing game. To be fair, nor did either team. HT 0-0

The arm-wrestle continued in the second half. The ball spent a lot of time in the air and there was little flowing, incisive football; maybe too much to ask on a heavy pitch. Andover New Street did have a tame shot within 12 seconds of the restart and on 54 minutes, Brock had their best moment: a clever through-ball, McCarthy-Gardiner in on goal but a tight angle, well saved by O'Brien. From the resulting corner, a great downward header from Toby Bailey, superb reflex save from O'Brien. Marcelo Rossi was outstanding in the Badgers defence, snuffing out danger before it could result in a clear shot. 75 minutes: sub Dotse with a header, a diving save from Valero, the closest the visitors came. Then on 82 came a sinbin for Higgins (no idea what he'd said), followed on 84 by a sinbin for Dotse, who was furious that Brock were given a goal kick when he (justifiably) wanted a corner. But even against nine, Brock never looked like they would break the deadlock: Street sat back, in two banks of four, and Brock passed the ball around 30 yards out, seemingly unsure what to do next. They might have snatched it on 90 minutes, a sharper passing move resulting in a cross-shot from McCarthy-Gardiner which clipped the top of the bar; Andover might have nicked it in overtime when sub Roccoft was given the freedom of the Brock half, but ultimately shot tamely at Valero. FT 0-0

Official fuel consumption WLTP for the ŠKODA ENYAQ iV full range in mpg (litres/100km): Combined 0g/km. NEDC equivalent CO₂ combined emissions for the ŠKODA ENYAQ iV full range are 0g/km. MPG/Fuel Consumption is N/A.

*WLTP combined range for base specification ŠKODA ENYAQ iV 80 vehicle with a full charge. The ENYAQ iV is a battery electric vehicle requiring mains electricity for charging. There is a new test for fuel consumption, CO₂ and electric range figures (known as WLTP). The electric range shown was achieved using the new test procedure. Figures shown are for comparability purposes. Only compare fuel consumption, CO₂ and electric range figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the starting charge of the battery, accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Zero emissions while driving. Data correct as of June 2021.
