VIEW FROM THE STAND

We're delighted to welcome everyone to the Meadens Škoda Arena for this Wessex League Premier Division game between Brockenhurst and Andover New Street. A particularly warm welcome to the players, officials and supporters of Andover New Street – I've always enjoyed visits to Foxcotte Park and received a friendly welcome, and it's our pleasure to return the favour today.

It was great to be back at home on Saturday for the first time this year. Seven whole weeks... three away games in that time, and the Badgers have managed to stay in and around the playoff places, coming into this evening's game in 5th. The weekend's win against Hythe & Dibden was very hard fought, and maybe Brock made harder work of it than they expected, but a cracking late goal secured the points. A sterner test awaits this evening with the visit of the Swifts, who will be smarting from their defeat at Portland on Saturday but they're still only six points behind Brockenhurst with two games in hand – so they're definitely in the mix, and this should be a really good test for both teams. Above all, let's hope it beats the weather!

Tonight's sponsors – I can confirm with confidence – are looking

forward to a great game, and are really hopeful that the destination of the "man of the match mango" is a really difficult decision. One of our two hat-trick heroes, maybe?

What with all the postponements, the momentum of the season has been badly disrupted for everyone – a nightmare for clubs, and no doubt even more so for the Fixtures Secretary! This weekend, despite the fact that Brock actually played, there were no fewer than four changes for the months ahead (not including this rearranged game). No doubt more changes will follow as the damp spell doesn't show any signs of abating, and we can probably all look forward to Thursday games, some of them probably on "neutral" artificial pitches, to get all the games done. And for teams who are serious about being involved in the end of season jamboree, every point is going to count – there are still at least ten teams in the pack chasing AFC Stoneham who will think they're in with a chance. And for both the Badgers and Street, it starts here. So, the second of three games in a row against teams in green (ahead of Laverstock and Ford on Saturday) – good luck to both teams, up the Badgers!

CLUB HISTORY 1898-2025

The club was founded in 1898, initially playing close to the Rhinefield Ornamental Drive. The Badgers were founder members of the New Forest League which they won a number of times. They moved before World War 1 to a site between the Rose and Crown and Snakecatcher pubs. Following the war the club played in both the Bournemouth and Hampshire leagues, moving to Fathersfield. In 1931 they were forced to move again, to Black Knoll when Fathersfield was given over to housing. In 1935 the club won the New Forest Lads Cup. Within two years the Badgers moved to Oberfield and after World War 2 they spent some seasons at Tile Barn before moving to their current home at Grigg Lane in 1951.

The club were crowned Hampshire League Division Three champions in 1960 as well as winning the Bournemouth Seniors cup. They moved between the Second and Third divisions until in 1971 they were promoted to Division One where they won the league title in the 1975-76 season. Brockenhurst were founder members of the Wessex League, joining in 1986. The club's FA Cup giant killing reached its pinnacle in season 2001/02 when Kingstonian were defeated and in season 2004/05 the club reached the 3rd qualifying round, the run ending in defeat to Bath City.

In season 2012/13 the club returned to the Wessex Premier Division as Division One champions and reached the final of both the Southampton DFA Senior Cup and the Wessex League Cup. The Badgers won three cups in three years—in season 2019/20 the team won the Bournemouth Senior Cup; in 2020/21 we lifted the Hampshire Senior Invitational Supplementary Cup; and in 2021/22 we won the Russell-Cotes Cup. In 2020/21, both the U18 and U17 teams won their divisions. Season 2021/22 was one of the most successful for Brockenhurst in recent years, with the club finishing 6th in the Premier Division, getting to the last 16 in the FA Vase and winning the Russell-Cotes Cup. Brockenhurst celebrated its 125th season in 2023/24, and missed out on the promotion playoffs by goal difference only. At the end of the season, long-serving manager Pat McManus left the club; a successful and enjoyable testimonial match was held for Pat in July 2024.

We recently appointed Steve Devlin as first-team manager of Brockenhurst. We have retained the core of the squad from last year's campaign, and added experience, some returning players and a number of promising players. The future looks bright for The Badgers.

ANDOVER NEW STREET CLUB HISTORY

New Street Football Club was started in the early 1890's by the vicar of St. Mary's Church, Rev. (later Canon) E.R. Braithwaite. New Street in those times was the working-class part of Andover with the church and the large town houses of the middle classes at the top end, the Newbury Road turnpike at the bottom end and open fields on either side of its length. The team's first pitch was on Farmer Dance's field which is now called Dances Close off New Street. Rev. Braithwaite was looking for a way to keep the young men of New Street out of the several pubs, ale houses and bottle shops found there. He came up with the idea of a football team and the only qualification required was that the player had to live in New Street. The team was successful and lasted until the 1950's when unfortunately it folded but was resurrected in 1961. When the Wessex League was formed in 1986, several clubs left the Hampshire League and New Street were promoted to Division One.

They finished bottom of Division One in 1989-90 and were relegated to Division Two. The following season saw the club relegated again as they finished second-from-bottom of Division Two. However, they were Division Three runners-up in 1991-92 to secure an immediate promotion back to Division Two; this was followed by promotion back to Division One the following season.

New Street has had several homes over the years and moved to their present site at Foxcotte Park in 1992, the same year that New Street Youth F.C. came into existence.

Recognition of the club's commitment to the local community came when in April 2005 we were granted F.A. Charter Standard Community Club status the highest accolade a football club can achieve. In 2012 and 2016 we were named as Hampshire F.A.'s Community Club of the Year.

Andover New Street FC has a long history of providing football specifically for Girls with a Ladies' team starting in 1995. In 2012, Footy4Girls was created by Simon Dewhurst, a football group that was for any girl that wanted to play. The group grew steadily during 2012 with around ten 8-11 year olds attending on a regular basis. Footy4Girls has continued to grow with each week seeing 40 plus girls training and playing matches and four sides in the Winchester Leagues.

Always community-minded in 2005 a few of our coaches went into Icknield School for children with severe learning difficulties to run weekly coaching sessions. These were so enjoyable and successful that our inclusive group Streets Ahead was formed two years later to enable youngsters or adults with physical or learning difficulties, who love to play football, but are unable for a variety of reasons to take part in mainstream clubs, to participate in the game. 2 years ago Streets Ahead celebrated its 10th anniversary. The club now look forward to the challenges of the coming season in the Velocity Wessex League Premier Division.

LAST TIME OUT ...

BROCKENHURST V HYTHE + DIBDEN

14 FEBRUARY 2026—BY JON RENYARD

This was a game of few chances, played on a heavy winter pitch – not really suited to flowing football. The visitors had come to defend, and to grab what they could get – and they very nearly got something. Disciplined, organised and determined, they were largely playing on the break and relying on the energy of their front three, but that wasn't a bad tactic. For all Brock's possession they were struggling to create a clear opening. On 27 minutes, Hythe were reduced to ten men for a sinbin but Brock couldn't quite take advantage: Oakley Parnum made an excellent save when McCarthy-Gardiner was slipped through, and then a diving header from Walker near the edge of the box which flew just over the bar. And then came the sucker punch, on 40 minutes: the ball broke to Davies near the penalty spot and he made no mistake, giving the visitors a precious lead. But two minutes into overtime, the Badgers levelled: a powerful, curling free kick from Demira, well saved at full-length from Parnum but Toby Colmer, following up, bundled the ball home. HT 1-1

The second half followed a similar pattern: Brock with more of the ball but struggling to find the right pass, bogged down in the heavy conditions, while the visitors were always dangerous on the break. Hythe were gifted two opportunities through defensive mix-ups but couldn't find the net; for the Badgers, Toms hit the top of the bar with a curling shot from the touchline... was it intended as a shot? Only he knows... The biggest chance for the visitors came on 63 when Rose was found in acres of space on the right, made headway towards the edge of the box but declined the shot, passed to Davies who tried to pass back and Toms, again, got back to snuff out the chance. That should really have been 1-2; a minute later it could have been 2-1, Beale fizzed in a cross and there was pinball in the six-yard box. In the last 15 minutes, Brock did look the more likely – a volley just wide from McCarthy-Gardiner, and then a powerful shot from Beale, tipped over... and finally, on 88 minutes, Beale found Walker down the left, a fine cross and Jamie-Jay Burgess arrived to glance a perfect header into the corner of the net. Brilliant finish, out of context with much of what had gone before, and it proved to be enough. FT 2-1
