VIEW FROM THE FOOTBALL SECRETARY

Firstly a Happy New Year to everyone, plus a warm welcome to the team, officials and supporters of Hythe + Dibden and today's match officials. My last programme notes were done in September 2025 when it was all doom and gloom, so I am happy to report on the dramatic change of results, fortune and personnel rounding off the year in style for the Badgers.

Our 1st team were sat bottom of the division after 4 matches and now under the management of Steve Devlin sit proudly in 5th place, we are in the Quarter Final of the Wessex League Cup and in the Semi Final of the Southampton Senior Cup. Steve has only tasted defeat four times in all that time., including when we lost at Millbrook when Steve was celebrating his 40th birthday (so he's excused from that result in the archives). After a number of postponements, with only three games played since the beginning of the year, we find most other teams catching up with us in terms of number of games played. Our most recent match, on 3rd February, saw us take a point at AFC Stoneham, which only one other club has equalled this season.

Our U18's had a good start, tailed off in October, lost their Manager Dan Mawer and then Mike Wells stepped into his shoes and we have gone on a great unbeaten run, the team currently sit second in the League. We are in

the quarter-finals of the League Cup, away at Moneyfields on 22nd February. Also a big congratulations to 16-year old Esteban Batista who has made the step up from the U18, through the Development Squad and into our 1st team and doesn't look out of place. The club's Development side under Matt Walker's leadership currently sit mid-table.

With my match day and sponsorship hats on, if anyone can spare a few hours to assist at home matches we would welcome your time, even if it's putting on a steward's jacket to show a presence.

Also we still have a number of players and matches without sponsors, so if you can help the club with a sponsorship please contact me at brockenhurstfcsec@gmail.com. More details on sponsorships and what players and matches are available to sponsor can be viewed on the club noticeboard in the clubhouse corridor, as well as in this programme. Finally I would like to welcome back all of our spectators to the Meadens Skoda Arena for 2026, after a fantastic attendance of 341 in our last match of 2025 with New Milton Town FC—there was a great atmosphere. Hoping the Badgers faithful can be our 12th man again today.

Up the Badgers!
Matt Parfect
Football Secretary

CLUB HISTORY 1898-2025

The club was founded in 1898, initially playing close to the Rhinefield Ornamental Drive. The Badgers were founder members of the New Forest League which they won a number of times. They moved before World War 1 to a site between the Rose and Crown and Snakecatcher pubs. Following the war the club played in both the Bournemouth and Hampshire leagues, moving to Fathersfield. In 1931 they were forced to move again, to Black Knoll when Fathersfield was given over to housing. In 1935 the club won the New Forest Lads Cup. Within two years the Badgers moved to Oberfield and after World War 2 they spent some seasons at Tile Barn before moving to their current home at Grigg Lane in 1951.

The club were crowned Hampshire League Division Three champions in 1960 as well as winning the Bournemouth Seniors cup. They moved between the Second and Third divisions until in 1971 they were promoted to Division One where they won the league title in the 1975-76 season. Brockenhurst were founder members of the Wessex League, joining in 1986. The club's FA Cup giant killing reached its pinnacle in season 2001/02 when Kingstorian were defeated and in season 2004/05 the club reached the 3rd qualifying round, the run ending in defeat to Bath City.

In season 2012/13 the club returned to the Wessex Premier Division as Division One champions and reached the final of both the Southampton DFA Senior Cup and the Wessex League Cup. The Badgers won three cups in three years—in season 2019/20 the team won the Bournemouth Senior Cup; in 2020/21 we lifted the Hampshire Senior Invitational Supplementary Cup; and in 2021/22 we won the Russell-Cotes Cup. In 2020/21, both the U18 and U17 teams won their divisions. Season 2021/22 was one of the most successful for Brockenhurst in recent years, with the club finishing 6th in the Premier Division, getting to the last 16 in the FA Vase and winning the Russell-Cotes Cup. Brockenhurst celebrated its 125th season in 2023/24, and missed out on the promotion playoffs by goal difference only. At the end of the season, long-serving manager Pat McManus left the club; a successful and enjoyable testimonial match was held for Pat in July 2024.

We recently appointed Steve Devlin as first-team manager of Brockenhurst. We have retained the core of the squad from last year's campaign, and added experience, some returning players and a number of promising players. The future looks bright for The Badgers.

HYTHE + DIBDEN CLUB HISTORY

The club was established in 1902. In 1947, then known as Hythe and Power United, they joined Division Three West of the Hampshire League. The club won the division in 1949–50, but were relegated back to Division Three West at the end of the 1951–52 season after finishing bottom of Division Two.

They were transferred to Division Three East in 1954, and the two third divisions were merged into one in 1955. The club finished bottom of Division Three in 1957–58 and 1959–60. After finishing bottom of Division Three for a third time in 1961–62, the club dropped into the junior leagues in Southampton.

Hythe & Dibden won Division Two of the Southampton League in 1970–71. The following season they finished second in Division One and were promoted to the Premier Division. However, two relegations saw the club back in Division Two by 1975. They won the title in 1975–76, but then yo-yoed between Division One and Division Two for several seasons. The club were promoted to the Premier Division in 1986, and returned to the Hampshire League in 1994 when they joined Division Three. After finishing as Division Three runners-up in their first season, the club were promoted to Division Two. In 1999 the league was reorganised and the club were placed in the Premier Division.

In 2004 the Hampshire League merged into the Wessex League, with Hythe & Dibden placed in the new Division Two. Two seasons later it was renamed Division One. In 2021 the club were promoted to the Premier Division based on their results in the abandoned 2019–20 and 2020–21 seasons.

In the 2023/24 season the club were finalists in the Southampton Senior Cup and winners of the Russell Cotes Cup.

The club played at the Ewart Recreation Ground on Jones Lane, which was shared with a cricket club, before moving to a new ground at Clayfields in 2014.

**Nationwide
Concreting Ltd**

Nationwide Concreting Ltd are leading industrial concrete flooring contractors & concrete finishing specialists that have been working all over the UK for more than 40 years.

From precision laser concrete floors, external yard slabs, hand screed concrete floors to suspended re-bar slabs/steel fibre, steel decking and high tolerance concrete floors, Nationwide Concreting Limited cover all concrete flooring.

LAST TIME OUT ...

AFC STONEHAM V BROCKENHURST

03 FEBRUARY 2026—BY JON RENYARD

An enthralling, unpredictable encounter, this, with six excellent goals, and ultimately the points shared. Games are often better after an early goal, and what a goal this was – Brock attacking down the right, the cross cleared back out again to Freddie Beale, 25 yards out and maybe 15 in from the goalline, and he smashed a perfect shot into the top corner, keeper no chance. You won't see a better strike anywhere in the Wessex this season, and Brock had a 3rd minute lead. The Purps continued to look vulnerable to the pace down the flanks but began to get more control of the ball; Martins and Sampson combining well, Badgers defence under pressure but holding firm. One clever cross from Lewis Nagle on 18 minutes, Martins with a great run in behind the defence but couldn't quite get a touch... another shot deflected just wide of the post... but the hosts were holding a high defensive line and Brock nearly exploited it on 23, excellent interception from Thomson – one minute later, Henry Brooks got clear down the right with a storming run, perfect cross to the back post, diverted home by Mitch Speechley-Price and the Badgers had a cushion. Ah, but Brock had poked the bear, and the bear awoke. Within two minutes, Tyrell Sampson went down the left, mazed his way past three defenders and calmly slotted into the far corner to reduce the deficit. Nagle then pulled a shot narrowly wide of the near post; and Marfarlane cleared a cross from his own goalline. Stoneham in the ascendant now and level on 33: a lovely incisive passing move, Mat Bainbridge arriving late to collect the ball near the penalty spot and score, Valero got a hand but not enough to stop the ball going over the line. The Badgers had chances to retake the lead: Miller misjudged a bouncing ball, Speechley-Price got beyond him but shot wide – quite a way out but a half-chance. And then keeper Callum Lee left his area but didn't get enough on his clearance, McCarthy-Gardiner near the touchline couldn't get his shot on target – to be fair there were defenders back. 44 minutes, another great Stoneham move: Sampson down the left, on to Martins, on again to Nagle arriving in the box – might have scored but instead one more pass to Alex Welch for a simple finish. Great goal; first-half turnaround complete. And still time for controversy. Brock bounced back, Beale on the run, Lee came to claim but caught the ball outside the box: free kick, nothing more. Only the ref knows why; and nobody knows what difference it would have made if Stoneham had been down to ten. The Badgers were frustrated, even more so when the resulting free kick was bundled home but disallowed for a foul in the box (I have it on good authority that this was the correct decision!). HT 3-2

continued ...

Continued ...

There was little chance that the second would match the breathlessness of the first, but it started brightly – a couple of minutes in, Toby Colmer arriving at the edge of the box but his cross-shot went narrowly wide. But the Purps now had their rhythm, more familiar with the surface, anticipating both the bounce of the ball and the runs of their teammates: Brock had to dig in and hold firm. And, to be fair, they did – even surviving a sinbin for Toby Bailey during a period where the Badgers were getting the thin end of the refereeing decisions. Stoneham were looking for that decisive fourth – Martins rising high, 8 yards out, great downward header but even better diving save from Valero, pushing the ball away from danger. Another deep cross – just over the head of Sampson. A corner half-cleared and returned – Miller stretching for the header and putting it wide. Brock needed to make the most of their rare opportunities up the pitch – another great run from Brooks but the defence somehow scrambling the cross away. And just when it seemed that time would slip away, 88 minutes: a clever ball forward to sub Connor Dunesby-Bent who beat the offside trap, ran through on goal, lobbed the onrushing Lee and watched the ball bounce... against the far post... and in, and Brock had nicked a point. They might even have won it in overtime, Dunesby-Bent twisting past two defenders on the left but his shot was just deflected beyond the far post by Lee. FT 3-3

THE FULLY ELECTRIC ŠKODA ENYAQ iV SUV

PURRS
ELECTRIC

GRRRS
ATTITUDE

Up to 333 miles range*
(official WLTP figure)

SALES > SERVICE > PARTS > ACCESSORIES

Meadens of Brockenhurst

Sway Road, Brockenhurst, Hampshire SO42 7SH

01590 623344

www.meadens.co.uk

Official fuel consumption WLTP for the ŠKODA ENYAQ iV full range in mpg (litres/100km): Combined 0g/km. NEDC equivalent CO₂ combined emissions for the ŠKODA ENYAQ iV full range are 0g/km. MPG/Fuel Consumption is N/A.

*WLTP combined range for base specification ŠKODA ENYAQ iV 80 vehicle with a full charge. The ENYAQ iV is a battery electric vehicle requiring mains electricity for charging. There is a new test for fuel consumption, CO₂ and electric range figures (known as WLTP). The electric range shown was achieved using the new test procedure. Figures shown are for comparability purposes. Only compare fuel consumption, CO₂ and electric range figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the starting charge of the battery, accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Zero emissions while driving. Data correct at June 2021.

IF YOU SEE IT OR HEAR IT, REPORT IT

'It' is discrimination, in all its forms.
Racism. Homophobia. Misogyny. Disablism.
If you have seen it or heard it, follow
the QR code to report it to Kick It Out.
Together, we can put an end to it.

Take action today at kickitout.org
