WELCOME FROM A TRUSTEE

Good afternoon everyone and welcome to the Meadens Skoda Arena for today's Velocity Wessex Premier Division fixture against Wincanton. I trust all the officials, players and supporters who attend today's game have an enjoyable afternoon here at Grigg Lane.

As I write these notes it's a beautiful warm sunny morning in Brockenhurst! I hope this dry sunny spell continues by the time you read this on Saturday. The last time I wrote the programme notes we had experienced a severe water shortage and were hoping for some long overdue rain! What a mistake!

In Brockenhurst we have had 460mm of rain since January 1st—an all-time record—and like most clubs in our league, have suffered terribly due to waterlogged pitches, postponed fixtures and of course the inevitable frustration of cancelling fixtures late Fridays or Saturday mornings. Let's hope that this is all behind us now and we can press on for the rest of the season.

I would specifically like to say a BIG thanks to Chris Jones, Steve, Kieron, Robin for the continued pitch maintenance work carried out over the winter and the week-on-week repair and care that is needed to keep the pitch and ground as good as it can be. On the pitch the 1st team continue with a purple patch of form and we find ourselves in the play-off zone with 11 matches to go. It's always a busy end to the season so we should expect some swings and roundabouts as we move towards the business end of the

season.

The 1st team are also competing in the Southampton Senior Cup and we face Millbrook in the semi-final on Thursday 12th March at Hythe & Dibden - please try to come along and support the Badgers as we are one step away from the final at St Mary's!

We are also through to the quarter-final of the Wessex League Cup and will be playing Hamble Club in the Semi-Final at Hamble's ground on Tuesday 24th March.

So lots to play for as we move forward!

Finally I'd like to comment on the massive progress the U18 team side has made this season under the management of Mike Wells. They are making great strides and their next fixture is here at Grigg Lane tomorrow (March 8th) against Ringwood Town U18. The U18s have also reached the semi-finals of their League Cup, and will be playing Cobham Sports on Thursday 26th March at the Meadens Skoda Arena. Your support would be very much appreciated.

Finally, finally, a thank you to all the match days volunteers and helpers who tirelessly commit their personal time to support the running of the club both on and off the pitch. The list of jobs that need to be completed every week to ensure we are prepared for games, hospitality, safety etc is endless. We cannot run the club without you. THANK YOU.

Have a great afternoon everyone.

Up the Badgers!

Ian Allan, Trustee

CLUB HISTORY 1898-2025

The club was founded in 1898, initially playing close to the Rhinefield Ornamental Drive. The Badgers were founder members of the New Forest League which they won a number of times. They moved before World War 1 to a site between the Rose and Crown and Snakecatcher pubs. Following the war the club played in both the Bournemouth and Hampshire leagues, moving to Fathersfield. In 1931 they were forced to move again, to Black Knoll when Fathersfield was given over to housing. In 1935 the club won the New Forest Lads Cup. Within two years the Badgers moved to Oberfield and after World War 2 they spent some seasons at Tile Barn before moving to their current home at Grigg Lane in 1951.

The club were crowned Hampshire League Division Three champions in 1960 as well as winning the Bournemouth Seniors cup. They moved between the Second and Third divisions until in 1971 they were promoted to Division One where they won the league title in the 1975-76 season. Brockenhurst were founder members of the Wessex League, joining in 1986. The club's FA Cup giant killing reached its pinnacle in season 2001/02 when Kingstonian were defeated and in season 2004/05 the club reached the 3rd qualifying round, the run ending in defeat to Bath City.

In season 2012/13 the club returned to the Wessex Premier Division as Division One champions and reached the final of both the Southampton DFA Senior Cup and the Wessex League Cup. The Badgers won three cups in three years—in season 2019/20 the team won the Bournemouth Senior Cup; in 2020/21 we lifted the Hampshire Senior Invitational Supplementary Cup; and in 2021/22 we won the Russell-Cotes Cup. In 2020/21, both the U18 and U17 teams won their divisions. Season 2021/22 was one of the most successful for Brockenhurst in recent years, with the club finishing 6th in the Premier Division, getting to the last 16 in the FA Vase and winning the Russell-Cotes Cup. Brockenhurst celebrated its 125th season in 2023/24, and missed out on the promotion playoffs by goal difference only. At the end of the season, long-serving manager Pat McManus left the club; a successful and enjoyable testimonial match was held for Pat in July 2024.

We recently appointed Steve Devlin as first-team manager of Brockenhurst. We have retained the core of the squad from last year's campaign, and added experience, some returning players and a number of promising players. The future looks bright for The Badgers.

WINCANTON TOWN CLUB HISTORY

Wincanton Town Football Club was founded in 1890 and played most of its football in the Yeovil and District Football League at Dancing Lane on West Hill. In the early to mid-1990's the West Hill ground was sold to fund Wincanton's new Sports ground development on Moor Lane to the south-west of the town. The club continues to play here still today.

Wincanton achieved double promotion from the Yeovil and District League Division 2 to become Premier Division champions in 1990/1. In 2002/03 the club were accepted for promotion into the Somerset County League. In 2006/7, the club made the decision to move over the border to play in the Dorset Senior League and were soon promoted into the Dorset Premier League.

In 2012/3 the club finished as runners-up to Portland United, allowing the club to apply for promotion to the Toolstation Western League. Wincanton also won the Somerset Senior Cup. The team finished its first season in the Western League in a creditable fourth scoring 116 goals along the way.

Season 2014/15 saw the club enter the FA Vase for the first time, with the club's first entry into the FA Cup coming the following season.

Season 2022/23 saw Wincanton reach the first qualifying round of the FA Cup for the first time in their history. Wincanton again qualified for the end of season play offs but lost 10-9 on penalties against Oldland Abbotonians. The season also saw the start of the Ladies section of the club with the side competing in Somerset League Division 2.

Season 2023/24 once more saw Wincanton reach the end of season play offs with a fourth-place finish. A dramatic semi-final with Wells City saw Town win an outstanding game 6-4. This set up a final at home to Brislington. A record crowd at Moor Lane saw Town storm into a 2-0 lead, but there was more play off heartbreak as Brislington battled back in the second half, winning promotion with a 90th minute goal. Two weeks later though the club received the surprise news from the F.A. that following their annual pyramid re-structuring process we were to be promoted to step five but also moved laterally into the Velocity Wessex League. We enjoyed our 11 years in the Western League, but very much look forward to visiting new places in the Wessex League and the challenge of step 5 football.

LAST TIME OUT ...

PETERSFIELD TOWN V BROCKENHURST

28 FEBRUARY 2026—BY JON RENYARD

A disappointing game played on the slopiest pitch in the league; the pitch was heavy and it made flowing football very difficult. All the more credit to Brock for their flying start: 3 minutes, a brilliant run from Toby Colmer through midfield and out to the left, perfect cross, McCarthy-Gardiner with the finish. Nobody realised the scoring was already done! Brock made the most of playing downhill in the first half, some great runs from McCarthy-Gardiner and especially Burgess – Giles and Gill both made last-ditch clearances in front of their own goal – but equally the Rams started to threaten at the other end. 13 minutes, Max Bray hammered a shot against the near post; then Beale dwelt on the ball in the final third, Harry Close robbed him and was in on goal but shot tamely across the target. Demira might have done better with a free header from a corner... Dunesby-Bent saw a shot very well saved by debutant keeper Firman... that makes the game sound more action-packed than it was. Gill headed a free kick wide for the hosts, and then just before halftime another lung-bursting run from Jamie Burgess, deep cross, volleyed by Beale – superbly saved by Firman at his near post. And still time for Stringer to find himself in behind the Brock defence but the angle was quite tight and his shot missed the near post. HT 0-1

In truth the second half offered precious little – lots of energy from the Rams, solid defence from the Badgers. Colmer had a volley just wide from the edge of the box... Freddie Beale with a powerful shot, well saved, McCarthy-Gardiner following up superbly blocked by Ryan Gill... but the Rams had the better of the argument. Brock were a bit too careless in possession and were encouraging their opponents. Valero had to tackle Bray on the edge of the box and then to make a sharp save at his near post from sub Alexander. Brock were under pressure but looked reasonably composed, even though they weren't creating much... into injury time, one last push from the Rams, a great cross right through the box and Iggy Cake couldn't quite reach it with a despairing toe. Would have been a certain equaliser but the ball rolled behind for a goal kick and that was done. Not the best performance from Brock, but 10 points from 12 is a decent return and keeps the pressure on their pursuers!

FT 0-1

Official fuel consumption WLTP for the ŠKODA ENYAQ iV full range in mpg (litres/100km): Combined 0g/km. NEDC equivalent CO₂ combined emissions for the ŠKODA ENYAQ iV full range are 0g/km. MPG/Fuel Consumption is N/A.

*WLTP combined range for base specification ŠKODA ENYAQ iV 80 vehicle with a full charge. The ENYAQ iV is a battery electric vehicle requiring mains electricity for charging. There is a new test for fuel consumption, CO₂ and electric range figures (known as WLTP). The electric range shown was achieved using the new test procedure. Figures shown are for comparability purposes. Only compare fuel consumption, CO₂ and electric range figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the starting charge of the battery, accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Zero emissions while driving. Data correct as of June 2021.
