WELCOME FROM THE CHAIRMAN

Good evening and welcome to the Meadens Skoda Arena, Grigg Lane for tonight's Southampton Senior Cup fixture with Hedge End Rangers. While relatively close neighbours the two sides have rarely faced each other so it will be interesting to see how things pan out this evening ... I guess that is the beauty of cup competitions.

Having said that I'm spending a lot more time in Hedge End lately. We have a one-year-old grandson and the kids clothing section at the big Next store is the best ... apparently! As I mentioned in my previous programme notes, following an unbeaten September, we were delighted to learn that we have been selected as the 360Player Wessex Football League Premier Division team of the month. Subsequently chatting to supporters, club members, current and former committee members nobody can recall us previously winning the award so it is now officially the first time in living memory and certainly something to celebrate!

As I write these notes the Badgers' unbeaten run has extended to 9 games (8 of them victories) and we approach two consecutive cup games (at New Milton Town in the FA Vase on Saturday followed by tonight's game with Hedge End Rangers) full of confidence and hopeful of extending our unbeaten run. With the team riding high in the league and cup run potential this

might be a good time to remind supporters that first team player and match sponsorship opportunities remain available. Sponsorship starts at a very reasonable £50 and comes with great benefits depending on type of sponsorship selected. Anyone interested in sponsoring a player or match can simply drop the club an email at

sponsorship@brockenhurstfc.co.uk or talk to a member of staff or one of our match day volunteers for further information.

Outside football; following the FA safety review the Premier League Stadium Fund grant application for padding to the front wall of our stand has been submitted. I can confirm that this project will be 100% grant funded by the Premier League and with a vendor secured the club are ready to proceed as soon as possible. I'm pleased to report that the club will once again host the Brockenhurst annual village fireworks display on Saturday 7th November. Tickets for the event are on sale now via the website or can be purchased on the night. It is a real family occasion that has become a fixture in the village social calendar. We look forward to seeing many of you on the night! Here's looking forward to an exciting game with Hedge End Rangers this evening and hopefully another Badgers victory.

Come on you Badgers!

CLUB HISTORY 1898-2026

The club was founded in 1898, initially playing close to the Rhinefield Ornamental Drive. The Badgers were founder members of the New Forest League which they won a number of times. They moved before World War 1 to a site between the Rose and Crown and Snakecatcher pubs. Following the war the club played in both the Bournemouth and Hampshire leagues, moving to Fathersonfield. In 1931 they were forced to move again, to Black Knoll when Fathersonfield was given over to housing. In 1935 the club won the New Forest Lads Cup. Within two years the Badgers moved to Oberfield and after World War 2 they spent some seasons at Tile Barn before moving to their current home at Grigg Lane in 1951.

The club were crowned Hampshire League Division Three champions in 1960 as well as winning the Bournemouth Seniors cup. They moved between the Second and Third divisions until in 1971 they were promoted to Division One where they won the league title in the 1975-76 season.

Brockenhurst were founder members of the Wessex League, joining in 1986. The club's FA Cup giant killing reached its pinnacle in season 2001/02 when Kingstonsian were defeated and in season 2004/05 the club reached the 3rd qualifying round, the run ending in defeat to Bath City.

In season 2012/13 the club returned to the Wessex Premier Division as Division One champions and reached the final of both the Southampton DFA Senior Cup and the Wessex League Cup. The Badgers won three cups in three years—in season 2019/20 the team won the Bournemouth Senior Cup; in 2020/21 we lifted the Hampshire Senior Invitational Supplementary Cup; and in 2021/22 we won the Russell-Cotes Cup. In 2020/21, both the U18 and U17 teams won their divisions.

Season 2021/22 was one of the most successful for Brockenhurst in recent years, with the club finishing 6th in the Premier Division, getting to the last 16 in the FA Vase and winning the Russell-Cotes Cup. Brockenhurst celebrated its 125th season in 2023/24, and missed out on the promotion playoffs by goal difference only. At the end of the season, long-serving manager Pat McManus left the club; a successful and enjoyable testimonial match was held for Pat in July 2024.

Steve Devlin became our first-team manager near the beginning of season 2025/26. This season, we have retained the core of the squad from last year's campaign, and added experience, some returning players and a number of promising players. The future looks bright for The Badgers.

HEDGE END RANGERS CLUB HISTORY

Hedge End Rangers FC has a long footballing heritage linked to the town of Hedge End, Hampshire. The club's roots can be traced back to the original Hedge End Football Club, formed around 1910. The team spent many years competing in the Southampton League, winning the Senior Division 1 title in 1966 and later gaining promotion to the Hampshire League in 1991 after winning another top-flight championship.

The original club enjoyed success during the early 1990s, winning Hampshire League Division 3 in 1993 and the Hampshire Intermediate Cup in 1994. However, following relegation and a loss of players, the club withdrew from competition during the 2003–04 season.

In 2005, football in the town was revived through a partnership with Hedge End Rangers, a junior club established in 1974. The newly formed Hedge End Rangers senior side rejoined the Southampton League and quickly progressed through the football pyramid. They finished runners-up in the Hampshire League in 2009 and won the league title in 2011, earning promotion to the Hampshire Premier League.

One of the club's notable achievements came in 2014 when they reached the Southampton Senior Cup Final at St Mary's Stadium. Although they were defeated by Sholing, the appearance marked an important milestone in the club's development.

Following a difficult period that resulted in relegation and withdrawal from the Hampshire Premier League in 2019, the club rebuilt successfully. In 2023, Hedge End Rangers won the Southampton Senior League Cup and finished runners-up in the Southampton League Premier Division, securing a return to county-level football.

The club continued its rise, earning promotion through the Hampshire Premier League and, in 2025, entering a ground-sharing agreement with Sholing FC. This helped support another promotion, taking Hedge End Rangers into the Wessex League Division One for the first time in their history and marking the club's highest-ever level of competition.

DOWNTON V BROCKENHURST WESSEX LEAGUE PREMIER DIVISION 29 SEPTEMBER 2026—BY JON RENYARD

Another game which started fast – within a minute, one long ball forward found Owen Fee in behind the defence, but he shot straight at the very calm Stainer-Reid. Brock were looking the more accomplished but not finding the killer ball. 21 minutes Wilcock beat Walker, cut inside and saw Stainer-Reid make an excellent near post save. But 24: great work from Harry McGrath, ball into the box, superbly hooked into the far corner by Toby Colmer – four goals in four games for him! The balance of play didn't really shift, neither side creating that clear opening... Brock free kick sent in wickedly by Toby Bailey, headed out from under his own bar by Kieta... into overtime and the Robins seemed to have a clear chance but Fee's shot from a central position was deflected and bounced harmlessly through to Stainer-Reid, could have gone anywhere! And finally, well into overtime, a clearance to McGrath, held up superbly, moved across to Ugwumba, back to Sami Makhoulfi on the edge of the box and he curled a perfect shot round the keeper and just inside the far post. HT 0-2

The second half didn't quite live up to the first: Downton brought more energy, and more long balls forward – and continued to win almost all their defensive headers – but lacked that moment of quality to haul themselves back into the game. Some nearly things for Brock, but a bit too careless in possession and keeping the Robins interested. 51 minutes, a free kick bounced into the box and McGrath deflected it just wide of his own post, the resulting corner volleyed over the bar by Moss... Brock with chances on the break, a clever pass from Makhoulfi to McGrath, Cam Beard making a great challenge to prevent a run on goal. Beard with a free header from a free-kick for Downton, over the bar... then a careless pass in midfield, Fee running clear on the left, his shot blocked and coming to Wilcock, deflected off Colmer and very well saved low down by Stainer-Reid. Clancy headed over for the Robins ... either side might have scored, neither did, and with four minutes to go, close-range header McGrath – absolutely blinding save from Bartram, no idea how he kept that out. And still time for Stainer-Reid to make a brilliant late save at his near post to preserve the clean sheet. FT 0-2

THE WESSEX WAY—FROM ROBIN CADDY

Join us on The Wessex Way

A new website is putting the spotlight on the Wessex League – featuring the teams, players, supporters and volunteers from steps 5 and 6 of the National League system in central southern England.

The Wessex Way features club profiles, ground guides, videos and lots of great imagery. Official Wessex League photographer Robin Caddy has travelled across the Wessex League over the last four years and captured great match action, the unique features of the grounds and many of the people who make the Wessex football scene what it is.

Alongside the website, Robin and colleague Tim Smith have created a new magazine, also called The Wessex Way. The latest edition focuses on the title races, relegation battles and memorable matches that made up the 2025-26 Wessex League season. The magazine is available through The Wessex Way website.
